

Spring Piano Recital

6:00 P.M. Recital: Students 11 and under
(arrive between 5:40-5:50 p.m.)

7:30 P.M. Recital: Students 12 and over
(arrive between 7:10-7:20 p.m.)

Dunkley Music Store
410 South Capitol Blvd.
Boise, Idaho 83702

Plenty of free parking is available.
A reception will follow each recital.
Remember to bring your music books!

Recital Policies

- **Minimum Age:** Due to disruptions at previous recitals, please arrange a babysitter for babies and children under age 5. If you invite guests, please let them know that children under age 5 are too young to enjoy the recital.
- **Taking Pictures:** Please do not distract the performers by taking pictures during the recital. You are welcome to photograph your student at the piano after the recital.
- **Videotaping:** Videotaping is permitted from the back of the room (behind the audience). Arrive early to set up your video camera in the back of the room. Videotaping from your seat blocks the view of other audience members. DVDs of the recital will be available for purchase.
- **Stay for the Entire Program:** All students, families, and guests should stay for the entire recital. Attendance at the other recital is optional (i.e., students performing in the 6:00 recital are invited, but not required, to stay for the 7:30 recital.)

Recital Tips for Parents

- Recitals are not a competition. The goal is to celebrate the student's progress and achievements, hear a variety of piano music, and have a positive experience of sharing music with others.
- **Hold a home recital.** Sit down as an "audience" and have the student walk up to the piano and play their pieces. When they finish, **clap** and have them **bow** to acknowledge the applause.
- **Students should dress up** for the recital (slacks, skirts, or dresses). Practice your recital pieces wearing your recital clothes and shoes. Beware of bracelets, rings, short skirts, and high heels—they may not contribute to a smooth performance!
- **Celebrate!** The evening recital and downtown Boise location provides a great opportunity to take your student "out on the town" afterwards, to celebrate their accomplishments!
